The 10-day Global Sales Professional MBA

Applying Emotional Intelligence & Discovering the Pathway to Global Sales Excellence

INTRODUCTION

The modern sales professionals need to be aware of today's changes to stay ahead of the game. With the growth of international business there is a big demand for new sales professionals who can withstand the challenges of selling globally and who understand and use the concept of emotional intelligence. The role of the sales team, which is the most externally focused part of a company, has a huge impact on international presence and brand awareness, so getting this right in different countries is critical.

EuroMaTech's premier Sales Professional MBA training course has been designed for professionals who want to master their emotional intelligence skills and explore the latest trends in global sales. Developing consultative sales skills, improving cross-cultural communications, perfecting leadership skills required for leading international teams and gaining a comprehensive range of leadership tools will increase their efficiency, whereas mastering emotional intelligence skills will have a huge impact on their sales performance and will distinguish them from the competition whilst supporting their career.

Participants on EuroMaTech's 10-day Sales Professional MBA training course will develop the following competencies:

- Understand the concept of emotional intelligence and its impact on sales
- Identify and manage their own emotions
- Increase awareness of emotions of others
- Develop better empathy for sales success
- Improve their conversational techniques
- Identify different personality types
- Understand the strategy of building referrals
- Improve emotional intelligence in key aspects of sales process
- Develop awareness of current trends in global sales to stay competitive
- Understand new roles of sales professionals
- Build the knowledge of partnership sales skills
- Effectively utilize distinctive features of cross-cultural communication & negotiations
- Manage and motivate international teams more effectively
- Support their organization by becoming highly effective leader

WHO SHOULD ATTEND?

EuroMaTech's Sales Professional MBA training course is targeted at:

- Sales Professionals
- Business Development Team Member
- Key Account Managers
- Team Leaders and Sales Executives
- Anyone involved in sales or looking into enhancing their sales skills

TRAINING METHODOLOGY

EuroMaTech's Sales Professional MBA training course combines presentations that share both theory and industry best practices with practical sessions. Each module includes practical exercises to try out the new knowledge and skills learnt. Using small and whole group exercises, videos, case studies, peer exchange, brainstorming, role plays and discussions. Participants will reflect on and discuss their own professional issues and experiences. They will be encouraged to contribute the principles of selling globally and emotional intelligence to their individual workplace.

PROGRAMME SUMMARY

EuroMaTech's Sales Professional MBA training course covers an array of topics in the sales environment to reach sales success on the global scale. This is a unique and innovative program will help to meet both the global and personal challenges of sales and give all the necessary tools and techniques to excel in a multitude of sales roles, including personal sales, coaching, recruiting, managing and leading in the global contest. Another key to building better sales and business relationships internationally is having the insight in the four skills areas of emotional intelligence: self-awareness, personal management, social awareness and relationship management.

The training will also enhance leadership skills and create an emotionally intelligent sales culture. The emphasis of the training course will be on powerful methods and proven techniques for improving personal management effectiveness and understanding all possible blind spots of global selling, including cross-cultural communication and new demands of global selling. Delegates will be able perform more efficiently in the global contest and will walk away from this 10-day programme with specific action plans they need to lead a world-class sales team.
