Mastering Communication, Negotiation and Presentation Skills

INTRODUCTION

Developing confidence with inter-related skills of communication, negotiation and presentation is the key to success both for individuals building their careers and for the organisations in which they work.

Collectively known as *'soft skills'* the art of communications, negotiations and presentations will:

- Compliment hard skills which are vital occupational requirements
- Be highly sought out by employers
- Support personal effectiveness and success of individuals
- Develop competence and capability to help strengthen personal profile and image

Drawing on classical learning, psycho-linguistic research and ideas associated with NLP and Emotional Intelligence, this highly-interactive and hands-on EuroMaTech training course helps participants explore and practice the principles and techniques they need to be effective communicators, negotiators and presenters. Most importantly, it focuses on helping them apply these skills in the workplace as part of a process of continuous learning.

PROGRAMME OBJECTIVES

By the end of the Mastering Communication, Negotiation and Presentation Skills training course, participants will be able to:

- Develop communications on a one-to-one basis and in group situations such as meetings, negotiations and presentations
- Build rapport and strengthen their interpersonal relationships and as a result develop their influencing skills
- Work towards mutually satisfactory agreements through professional negotiations leading - where possible - to win / win solutions
- Deliver professional presentations to small and large groups with clarity, persuasiveness and confidence

WHO SHOULD ATTEND?

This Mastering Communication, Negotiation and Presentation Skills training course is essential for all **managers, professionals** and anyone whose job involves **communicating with, and influencing, other people.**

TRAINING METHODOLOGY

This is a highly practical and interactive training course designed to engage, motivate and inspire participants through discussion, role play and experiential simulations.

Participants develop a range of skills to help develop Communications and Negotiations but primarily it is designed to develop the capability of delivering world class presentations. Each participant is asked on the programme to prepare and deliver a presentation and will receive feedback on not only their technical capability but their performance capability as well. Presentations are filmed for additional analysis with each participant receiving a copy of their own film via a memory stick.

PROGRAMME SUMMARY

Having established the concept of communications, negotiations and presentations within the workplace, this Mastering Communication, Negotiation and Presentation Skills training course takes participants to the next level of capability by strengthening, enhancing and mastering these vital essentials.
