Developing Purchasing Policies, Processes & SLAs

INTRODUCTION

In a rapidly changing economic environment it is not only necessary to have skilled Procurement professionals, but to ensure that the organisation can implement appropriate strategies through the application of clear purchasing policies and processes, and can measure performance with relevant Key Performance Indicators and Service Level Agreements.

The Developing Purchasing Policies, Processes & SLAs training course will guide the participants through the development of appropriate procurement strategies, to creating the clear and measurable processes that will allow them to ensure that strategies are successfully implemented.

Participants on EuroMaTech's Developing Purchasing Policies, Processes & SLAs training course will develop the following competencies:

- Develop a strategic view of Procurement for their organisation
- Choose the appropriate SLAs and KPIs
- Formulate winning policies for procurement
- Maximise return on procurement with cross functional policy application
- Write policies and procedures that are clear and implementable

WHO SHOULD ATTEND?

The Developing Purchasing Policies, Processes & SLAs course is suitable for a wide range of professionals employed in commercial roles, but it will be particularly beneficial to:

- Professionals working in Procurement, Purchasing or Buying
- Buyers in Public, military and government organisations
- Buyers working for private companies
- Managers of Purchasing sections
- Project personnel working with contractors
- Purchasing Managers in business, government and the military

PROGRAMME OBJECTIVES

EuroMaTech's Developing Purchasing Policies, Processes & SLAs training course aims to help participants to achieve the following objectives:

- Define the strategic goals of the organisation
- Identify the requirements of cross-functional stakeholders
- Implement appropriate policies and procedures
- Select the appropriate sourcing routes for all types of purchase
- Minimise contractual disputes and uncontrolled spending.
- Create a balanced scorecard of Key Performance Indicators (KPIs)
- Measure performance against key performance measures and SLAs
- Draft clear, concise, actionable policies and procedures

TRAINING METHODOLOGY

Participants on Developing Purchasing Policies, Processes & SLAs training course will learn by active participation through the use of programme materials, exercises, role playing, video presentations and discussions on "real life" issues in their own and each other's organizations.

PROGRAMME SUMMARY

This unique EuroMaTech training course on Developing Purchasing Policies, Processes & SLAs will help participants to develop and implement procurement policies and processes which will deliver the organisation's strategic procurement objectives.

Participants will learn how to create strategies for commercial advantage, control spend without stifling innovation or creating bureaucracy, and to draft clear concise policies that can be implemented in the organisation.
