Enhancing the Skills of Training Coordinators and Administrators

INTRODUCTION

Many organisations seem to underestimate the importance of Training Co-ordinators & Administrators. In truth, both roles are a vital link ensuring training and or development activities actually solve the performance gap in an effective and cost effective manner.

With that in mind, this Enhancing the Skills of Training Coordinators & Administrators training course has been specifically designed to present the key attributes, skills and knowledge to develop a competent approach to the role.

This EuroMaTech training course will feature:

- How to develop the Training Coordinators' & Administrators' competence
- How to influence management in allowing new skills to be practiced
- The changing needs of business and illustrating / demonstrating results
- The most appropriate learning styles for individuals
- Training needs analysis, design, validation and evaluation techniques
- The training and development cycle

WHO SHOULD ATTEND?

- Managers whose main responsibility is the co-ordination or administration of training needs, organising training events, selecting programmes or engaging external consultants
- Full time T&D or HR specialists - including line managers with responsibility for the T & D of their subordinates
- Technical professionals wishing to revalidate their knowledge and understanding when conducting training
- Training Administrators, who are in regular contact with individuals or line managers involving performance improvement
- Professionals who wish to assess new approaches for Training Coordinators and Administrators

PROGRAMME OBJECTIVES

- Analyse how Training & Development contribute to business performance
- Reposition Training & Development by adopting a measured approach
- Examine administration systems and techniques
- Develop a profile for the Training Coordinator & Administrators role
- Apply a new 4-quadrant analysis model for individual performance issues
- Be able to apply the 10 steps in the training cycle
- Consider action planning for your return to work including training requirements

TRAINING METHODOLOGY

This EuroMaTech training course will be delivered in an interactive style, using group discussions, and programme material, encouraging active participation, exercises, real life case studies and questionnaires. There will also be the opportunity to discuss individual issues on a one-to-one basis with the Programme Leader if necessary.

PROGRAMME SUMMARY

The Enhancing the Skills of Training Coordinators & Administrators training course is designed to provide the essential skills and knowledge to perform the role of Training Coordinators & Administrators competently. The training course also provides the tools and techniques to achieve success analysing the benefits to the organisation, then moves on to consider how to construct complex training solutions using a flexible approach.

IN-HOUSE TRAINING

EuroMaTech is capable of conducting this training programme exclusively for your delegates. Please e-mail us on inhouse@euromatech.ae for further information and/or to receive a comprehensive proposal.

Employee Assistance Certification Commission (EACC), an autonomous credentialing body established by EAPA to maintain and administer all aspects of the CEAP® program, has approved this course for 25 professional Development Hours (PDHs).

The use of this logo is not an endorsement by EAPA of the quality of the course. It means that this course has met the EAPA's criteria to the pre-approved for CEAP® certification or recertification PDHs.
