Mastering Emotional Intelligence

Skills for Excellent Leadership

INTRODUCTION

Emotionally Intelligent leaders have great positive impact on their employees. Impactful leaders are expected to demonstrate extensive knowledge, allocate rewards, achieve organizational objectives and provide exemplary leadership to others amongst many other responsibilities.

High competency in communicating, influencing, motivating others and managing emotions in the workplace thrust leaders to become mentors as well. Therefore, exceptional leadership calls for high emotional intelligence leaders that have sound judgment and reasoning.

This EuroMaTech training course seeks to help delegates:

- Keep a relationship productive by cultivating emotional intelligence at work
- Recognize stress levels and keep it under control
- Exchange communication using emotionally intelligent language
- Pick up social cues and responding appropriately to them

PROGRAMME OBJECTIVES

- Assess your own self-awareness and communication style
- Apply emotional intelligence in your work and personal life for a healthy balance
- Maintain your emotional energy to motivate and lead team members towards achieving organizational goals
- Develop authentic and credible leadership to build trust within team members
- Develop skills in responding to feedback
- Emotional resilience to handle challenges

WHO SHOULD ATTEND?

This Mastering Emotional Intelligence training course is designed for:

- All managers and leaders seeking to raise their barometer of emotional intelligence
