

An Intensive 5-Day Online Training Course

Developing Transformational Leadership

PROGRAMME SUMMARY

The Developing Transformational Leadership online training course is designed to enable leaders to critically explore the key skills needed to lead in any organisation. Transformational Leaders share vision, motivate, raise expectations, promote trust and achieve high performance from their teams. In this very practical EuroMaTech online training course, you will learn the five competencies necessary in effective leadership. These are leadership skills, strategic thinking, emotional intelligence, communication and change leadership.

Date	Venue	Fee(\$)
23 - 27 May 2021	Live / Online	US\$ 2,400
10 - 14 Oct 2021	Live / Online	US\$ 2,400
12 - 16 Dec 2021	Live / Online	US\$ 2,400

INTRODUCTION

Transformational Leaders motivate and gain the commitment of their followers by sharing a vision, raising expectations, and creating a feeling of trust so that followers will perform to a level exceeding their own expectations of what is considered possible. This exciting and practical online training course will help you develop as a Transformational Leader. In this seminar, delegates will study the best practices from industry leaders and apply that in their own teams and organisations.

The Developing Transformational Leadership online training course is designed to provide leaders with the knowledge and skills required by their challenging role. This online seminar enables leaders to critically explore the key skills needed to lead at a time when the global economy is experiencing an economic downturn that is having a major impact on all industries and all organisations.

EuroMaTech's experiential Developing Transformational Leadership online training course will cover the critical competencies necessary in effective leadership. The online seminar runs like a 5-day Leadership Master-Class and participants will leave engaged, energised, and inspired.

Participants on Developing Transformational Leadership online training course will develop the following five key competencies:

- Transformational Leadership skills
- Strategic Thinking & Planning
- Leading with Emotional Intelligence
- The Communication Competencies Necessary for Leadership
- The Practice of Leading Change

TRAINING METHODOLOGY

This Developing Transformational Leadership online training course will utilise a variety of proven adult learning techniques to ensure maximum understanding, comprehension, and retention of the information presented. This includes stimulating presentations supporting each of the topics together with interactive trainer lead sessions of discussion.

There will be significant hands-on sessions where participants can practice and experience course related activities. Realistic and fun exercises, short DVD presentations, small group work, and feedback, will be used to facilitate learning. Practical, experiential activities will be used throughout this online training course.

In-house Training

EuroMaTech is capable of conducting this training programme exclusively for your delegates. Please e-mail us on inhouse@euromatech.ae for further information and/or to receive a comprehensive proposal.
