### INTRODUCTION

It is showtime; lights, curtains and action on the big corporate event that you have been planning for months. This moment could be a triumph or a disaster. A major event has a million moving parts and all must come together perfectly at the same time. Add a squirt of creativity and you will have an occasion that builds both your reputation and your organisation's brand. It will be remembered fondly for all of the best reasons. Get it wrong and it will be remembered in a totally different way.

This sparkling training course introduces not only all of the fundamentals of event and conferences management from outline to thank-you letters, but tips and secrets of top event managers all over the world. It is intensely practical and covers everything from set dressing to creating a social media buzz and VIP management. You will share a whirlwind five days with personal coaching and advice that shares a lifetime of experience and a wealth of examples in one memorable feast.

Participants on EuroMaTech's Events & Conferences Management online training course will develop the following competencies:

- Challenge imagination to develop exciting event concepts
- Hone the organisational skills and knowledge to plan and manage any event
- Develop a powerful event planning toolkit
- Understand how to create and sustain profitable professional alliances that deliver
- Understand how to bring all of the elements together to make a world-class event
