

An Intensive 5-Day Training Course

Public Relations Professional

(Public Relations and Corporate Communications)

PROGRAMME SUMMARY

The programme looks at a variety of corporate communication tools and models before examining in detail the potential value and role of key stakeholders in the corporate affairs and public relations processes. It looks at approaches that will permeate the whole organisation as well as the specialist disciplines within public relations and corporate communications.

Firmly establishing the place of public relations in the company, the programme looks at the contribution that can be measured. Participants will put together the entire programme content into an action plan that can be discussed with senior management.

INTRODUCTION

Public Relations and Corporate Communications are at the heart of business performance. Modern methods, tools and channels have greatly increased the speed in which communications can be experienced, from local to global.

In this programme you will learn:

- The tools and techniques required to manage reputation in a complex media environment
- How to manage knowledge within the business for media effectiveness
- How to shape external perceptions of your organisation by first-class corporate internal communications
- How to develop a strategic approach and a clear plan of action

TRAINING METHODOLOGY

This programme is an intensive, updating programme illustrated throughout with practical examples. It concentrates on practitioner skills, tools and techniques for the effective management of these important business functions.

WHO SHOULD ATTEND

- Public Relations professionals
- Other key personnel in the organisation whose work involves contact and interaction with internal / external public
- Also beneficial to personnel professionals who wish to learn how to use communication more effectively – possibly in the areas of personnel, marketing, sales, training and administration

PROGRAMME OBJECTIVES

This programme seeks to support delegates as they:

- Set Corporate Affairs in its strategic anticipatory and effective context
- Develop an understanding of stakeholder programmes for regular, focused communication activities
- Examine the development of Corporate Affairs tools
- Understand how to develop and coordinate strategy, plans and tactics
- Evaluate the use of research

Delegates, when they return to their organisation, will be able to:

- Identify the journey from where they are to where they want to be
- Develop programmes for regular and effective relationship building
- Manage reputation locally, nationally and globally
- Measure attitudes and behaviours to prove the benefits for your organisation
