

An Intensive 5-Day Online Training Course

Leadership and Management Skills for New Manager and Supervisor

PROGRAMME SUMMARY

New managers and supervisors are in a unique role of being able to direct and manage a group of people, but at the same time are learning the best methods of leadership and management. This EuroMaTech online training course is designed to give participants an understanding of key management and leadership skills, methods, processes and procedures, as well as practice on techniques. The principles used are easily adapted to any type of organisation or individual's management role.
