HRM Skills for Today's Leaders and Professionals

INTRODUCTION

In a challenging and competitive global market, employee engagement is absolutely paramount to retain the talent within the organisation. It follows that anyone with a responsibility for managing staff requires an understanding of Human Resource Management best practices in order to extract the very best out of their team.

This HRM Skills for Today's Leaders and Professionals training course provides the essential practical knowledge and processes enabling leaders to skilfully address HR Management issues and opportunities for themselves.

Participants in this EuroMaTech training course will develop the following competencies:

- Building excellent working relationships with others
- Lead, listen, challenge, communicate, be fair, respond to suggestions and deal with problems
- Help and support employees to take more responsibility
- Build highly-effective and productive teams

WHO SHOULD ATTEND?

- All levels of Management who need to gain a better understanding of the implications that People Management practices have on their day-to-day decisions
- HR professionals and equally the line management
- Any other professionals who have an interest HR processes

PROGRAMME OBJECTIVES

This EuroMaTech training course aims to enable participants to achieve the following objectives:

- Implement critical areas of HR management
- Build a good working relationship with their staff
- Help and support their employees
- Drive individual and team performance
- Motivate and inspire their team
- Build effective and productive teams
- Select the right person for the job
- Specify training and development needs
- Implement procedures that will retain talented people
- Assess and appraise performance
- Develop an action plan to improve performance

TRAINING METHODOLOGY

There will be inputs from a highly-experienced facilitator together with case studies, discussions, worked examples and use of videos to further enhance learning. This will allow delegates to get fully engaged with the practical implications of the training.

PROGRAMME SUMMARY

This HRM Skills for Today's Leaders and Professionals training course will present the opportunity to examine and explore People Management best practices. This will enable delegates to lead their staff in a more effective manner. The training course also uses a highly practical approach to enable participants to focus on issues that impact most on themselves and their respective organisations.

This activity has been pre-approved by the Human Resources Certification Institute (HRCI). Participants attending this training session are entitled to receive:

25 General Recertification Credit Hours

The use of this seal is not an endorsement by the HR Certification Institute of the quality of the program. It means that this program has met the HR Certification Institute's criteria to be pre-approved for recertification credit.

Employee Assistance Certification Commission (EACC), an autonomous credentialing body established by EAPA to maintain and administer all aspects of the CEAP® program, has approved this course for 25 professional Development Hours (PDHs).

The use of this logo is not an endorsement by EAPA of the quality of the course. It means that this course has met the EAPA's criteria to be pre-approved for CEAP® certification or recertification PDHs.
