

An Intensive 5-Day Training Course

# Public Relations & Corporate Communications

(Public Relations Professional)

## PROGRAMME SUMMARY

This EuroMaTech training course looks at a variety of corporate communication tools and models before examining in detail the potential value and role of key stakeholders in the corporate affairs and public relations processes. It looks at approaches that will permeate the whole organisation as well as the specialist disciplines within public relations and corporate communications.

Firmly establishing the place of public relations in the company, the Public Relations and Corporate Communications training course looks at the contribution that can be measured. Participants will put together the entire training course content into an action plan that can be discussed with senior management.
