

An Intensive 5-Day Training Course

Customer Management Specialist

(Managing Service Quality and Customer Satisfaction)

PROGRAMME SUMMARY

After completing the Customer Management Specialist training course, delegates will be equipped with the tools, models, skills and confidence to improve and enhance current practices, develop new processes and monitor their success.

This EuroMaTech training course will help delegates become customer service champions and equip them with the appropriate confidence, skills and tools to turn any department into a world-class service provider and the envy of all other internal customers.

Date	Venue	Fee(\$)
21 - 25 Mar 2022	London	US\$ 5,950
12 - 16 Sep 2022	Beijing	US\$ 5,950

INTRODUCTION

Customers always were the life-blood of any enterprise. The rise of Internet technologies and especially Social Media has re-shaped the entire business environment, destroying many traditional points of Strategic Differentiation and making the Customer Experience, the central point of their Strategy. The Customer Experience is the last sustainable Strategic Battleground. To survive in this New World, companies must use skills, tools and techniques to ensure the Customer's Experience is front and centre in their proposition.

The strategic goal for any enterprise must be to understand what the customer decides is quality and then to be able to produce and deliver that quality in a consistent, cost-effective manner.

In this EuroMaTech training course, you will:

- Learn about Customer Service and Quality Management Tools
- Learn how to improve Customer Satisfaction
- Improve your people skills
- Learn how to proactively manage and control expectations
- Develop tools and models to enable you to consistently deliver a high-quality product or service to both internal and external customers.
- Understand how to thrive in this new world of SEO, Social Media and Instant, 'Always on' peer-review.

TRAINING METHODOLOGY

The Customer Management Specialist training course will be highly participative and will include a wide range of methods including presentations, discussions, videos, case studies and exercises. We will look at examples of Global Best Practices in the use of Social Media tools and tactics in Customer Relationship Management. Where appropriate, these will include real issues brought to the training course by delegates.

In-house Training

EuroMaTech is capable of conducting this training programme exclusively for your delegates. Please e-mail us on inhouse@euromatech.ae for further information and/or to receive a comprehensive proposal.
