INTRODUCTION

In these turbulent times, leaders need to focus on what will drive their business enterprise through the obstacles of success. This Art of Strategic Management and Leadership training course offers solutions to any leader who must continue to deal with the economy and make smart decisions about such important elements as new business strategies, succession planning and the use of intellectual capital to sustain and grow their business.

The Art of Strategic Management and Leadership training course begins with a week on Strategic Management, which develops the skills behind strategic thinking and developing good strategies to support the strategic planning function. This EuroMaTech training course looks at many contemporary theories that focus on the best approaches to take to use resources wisely to stay the course of continuous improvement.

Week two of this EuroMaTech training course focuses on The Art of Leadership and on how a leader takes on the responsibilities of implementing new strategies and developing their human assets to support the enterprise. This training course goes deep into the heart of a true leader and helps any leader / manager understand what makes an effective leader in the modern organization. This training course is the catalyst behind what makes a successful strategic plan work in the real world.

Virtual learning service available

TRAINING METHODOLOGY

The Art of Strategic Management and Leadership training course is an interactive mixture of lecture, discussion groups, team activities and practice on various case studies and video sequences.
