## INTRODUCTION

If you are in a profession where you need to speak to two or more people to convey an idea or simply to get your message across, you will need to have engaging Presentation Skills. The fear of addressing a crowd or even a small group of people is said to be one of the top fears in executives. But public speaking need not be dreaded because, with key techniques and guided practice, anyone with the necessary tools would be able to present with impact and purpose.

This EuroMaTech training course seeks to develop your Presentation Skills to a higher level using NLP techniques. As you undergo this workshop, you will realize that making corporate presentations is not as difficult as it looks. You will gain the necessary confidence to come up on stage and engage your listeners, and surprise yourself in the process
