

An Intensive 5-Day Online Training Course

Public Relations Professional

(Public Relations and Corporate Communications)

PROGRAMME SUMMARY

This EuroMaTech online programme looks at a variety of corporate communication tools and models before examining in detail the potential value and role of key stakeholders in the corporate affairs and public relations processes. It looks at approaches that will permeate the whole organisation as well as the specialist disciplines within public relations and corporate communications.

Firmly establishing the place of public relations in the company, the online training course looks at the contribution that can be measured. Participants will put together the entire programme content into an action plan that can be discussed with senior management.
