

An Intensive 10-Day Training Course

NEBOSH International General Certificate in Occupational Health and Safety

PROGRAMME SUMMARY

This NEBOSH International General Certificate in Occupational Health and Safety training course illustrates common sense approaches to managing the vital functions of Health and Safety within a business. You will find out the legal implications of poor control of Health and Safety, how to deal with machinery safety, hazardous chemicals, noise, electricity, fire and emergencies, radiation and put effective Safety Management at your fingertips.

With this new syllabus there are now only 11 Elements. Elements 1 to 4 are assessed by an Open Book Examination. Elements 5 to 11 are assessed through the practical application of knowledge gained with a Risk Assessment project.

Date	Venue	Fee(\$)
19 - 30 Jun 2022	Dubai	US\$ 9,900
09 - 20 Oct 2022	Dubai	US\$ 9,900

INTRODUCTION

The NEW syllabus (published in 2019) of the International General Certificate in Occupational Health and Safety is described by NEBOSH as “the best just got better”. EuroMaTech is proud to be able to present such a course of such high quality.

Delegates attending this EuroMaTech course will not only learn about standards and policies but also apply this knowledge in practice. The Certificate is an important step in progressing in the subject of Health and Safety. It is relevant to international standards and in order to control common workplace hazards.

This certificate is an internationally recognised qualification and provides an excellent basic grounding in the essentials of health and safety. Over 90,000 people have taken this qualification and it is considered a gold standard in Health and Safety qualification. It is relevant for every workplace and workforce. All the core issues for Health and Safety are covered within this syllabus.

This training course is based on the NEW (published in 2019) Syllabus for the NEBOSH International General Certificate in Occupational Health and Safety. The National Examination Board in Occupational Safety and Health (NEBOSH) is the leading UK examination authority in this field.

PROFESSIONAL MEMBERSHIP

Holders of the NEBOSH International General Certificate can apply for the following memberships:

- Associate Membership (AIOSH) of the Institution of Occupational Safety and Health (IOSH).
- Associate Membership (AIIRSM) of the International Institute of Risk and Safety Management (IIRSM)
- The qualification also meets the academic requirements for Technical Membership (Tech IOSH) of IOSH.
